

PRE-RETIREMENT SEMINAR 2021 REPORT

RUTHERFORD COUNTY RETIRED TEACHERS ASSOCIATION

Ryan Marlin, Retirement Plan Advisor, *RetireReady*TN and James Armistead, Outreach Specialist with the Treasury Department presented the Pre-Retirement Seminar held on Thursday, January 21, 2021. Sara Ann Gannon contacted Allison McGoffin, MTSU, James Evans, Rutherford County Schools, Ralph Ringstaff, Murfreesboro City Schools, and Marcia Melton, Cannon County Schools; they sent a system-wide email informing their faculty and staff about the Pre-Retirement Seminar. Also, an announcement was placed in the Murfreesboro Post Community Calendar announcing the seminar.

Due to Covid-19 Pandemic, the Pre-Retirement Seminar was conducted online with Mr. Marlin as the host via Cisco Webex. A virtual link with login and dial-in information was sent to the school systems. Mr. Armistead received questions in the chat and was able to respond throughout the program. Mr. Marlin stated 86 attendees were reported to his Webex report. Mr. Marlin felt everything went well. He was appreciative with the Rutherford County Retired Teachers Association flexibility using the Cisco Webex virtual technology.

Sara Ann Gannon wrote two thank you notes to Mr. Ryan and Mr. Armistead. Also four thank you emails were sent to Mr. Evans, Mr. Ringstaff, Ms. Melton, and Ms. McGoffin.

Considering this was our first virtual seminar, we believe the seminar was successful.
